START PLANNING YOUR NEXT REVIEW SESSION NOW!

GET THE DATES FROM PROFS BY NEXT MEETING (OCT 22nd)

LAUREN WILL BOOK ROOMS ASAP

GIVE BRIT MORE TIME FOR POSTERS -> MORE ADVERTISING/PLANNING TIME

- Midterm Review Sessions
 - COSC - November 13th (111), Tuesday -> Thursday evening 8th (5-7pm)
 - Mack, laur, cameron, emily?, kat
 - Feedback review
 - <https://docs.google.com/forms/d/1Z7j5RSN2MDFQuu6Cb5CkM1uRFmNKMw8irdahBzJjz6Y/edit?usp=sharing>
 - Walk around more often
 - Prompt students more, ask how they're doing
 - Find a better space for hosting (easier for sign-in and answering questions maybe)
 - Harder questions
 - Longer session
 - More Q&A style questions, encouraging students to ask questions
 - Maybe asking them what they are confused on and helping with that. More directed questions based on what they are confused on.
- Physics
 - Feedback review
 - PHYS 111 - offer review questions and office hours, but not a formal review session
 - PHYS 112? SL leaders, confirm space with David
 - Eventbrite to RSVP for pizza
 - Reach out to other students to help
- Math
 - The session for this one was so busy it was insane, so we need a really big room for the next one. The SL leaders for Math are really good and put together a great review session.
 - Review session for M2
- Stats 230 - November 7th, review on Monday 5th 5-7pm
 - Review session for M2 - **BOOK NOW!**
 - Reach out to Irene for upper-year students**
 - Maria, Liam, and Phil?
 - Order pizza for volunteers :)
 - Book a space**

Kristen

- Had a meeting with John, Braun (he can host the workshop)(YAY!)
- 5th or after **14th** or 29th (but 29th is after biostat's lab exam so no point)
- STAT 230 and BIOL 202 both have their midterm 2 on November 7th.
- Stat 230 midterm includes R commands
- Bring your on computer included on poster

Sabrina

- Stargazing Event
 - Rescheduled date of Stargazing: October 22nd or 24th, Should we **update posters**? Maybe put a sticker over saying rescheduled and to see Facebook?
 - I also want to maybe **make an Eventbrite event** to get a more accurate number of people who are coming (they need to know for number of telescopes)
 - Also need to figure out a better way to get people to sign up for carpooling. Any ideas?
 - Reprint posters, reach out to Brit to change poster dates and color of lower text
- PHYS 112 Review Session
 - Their midterm is Nov 5th I think. I will talk to the professor and SL this week to get more info about the test and what they've covered so far

Mack

- Tuum est - deadline November 16th !!!!**
 - Let's start writing folks - @Sean, Mack, Parsa, Emily, Lauren, Kat

Emily

- EngSoc Gaming Night
 - How much money are we spending on this? - No idea I need to bug the guy
 - Lauren here I think he originally was just wanting to split the cost of pizza with us
- Krispy Donuts - Need dates - Est \$\$
 - Sean might be able to pick them up the weekend of Nov 2nd? That way we don't have to collab with other union. Estimate depends on how much we buy.

Kathryn

-

Lauren

- Most likely 16th for badminton with professors (confirmation from Ramon and Greg)

- Waiting on confirmation from at least 5 professors before officially booking badminton at a specific time
- Waiting on word back from Matheus about Boards Game Night, has anyone heard from Eng. Soc?
- Fibonacci Day, November 23rd
 - Wayne has agreed to do a short talk about fibonacci
 - Suggested a time period in the afternoon for Wayne, waiting on what time is good for him so I can book the space
